Welcome to the Industry that sets highest standards of delivering best quality goods. The Company that prides itself in supplying products that inspire safe and accident free working.

Yes Dependable,

because you can depend on our products that will meet all your critical requirements. Products made in our ISO 9001:2008 certified manufacturing units. Dependable because we will supply on time every time,

Dependable because our innovations and inventions will not only supply goods but rather profits and long term brand value for our buyers.

The Most Difficult we do first, Impossible may take sometime

One of the simplest statements to understand, but one of the most challenging to implement. Through this statement we are inspiring people of every quarter.....by sending a strong message...

Customers... .. Give us difficult jobs; we will surely meet your needs. Give us Impossible Jobs, we will innovate and deliver in some time, BUT WE WILL DELIVER.... For Sure...

We offer full range of products listed on below pages. Below is the most popular part we offer from these to user.

QUALITY

INDO GERMAN IND. commitment to quality is evident in every aspect of our business. Our quality system is ISO 9001:2008 certified. We thoroughly inspect every part for potential defects and have procedures in place to ensure accurate order fulfillment, proper packing and full traceability of all items shipped. For our overseas customers, this means we take extra care to ensure that products are packed properly to protect against damage from weather and handling. Our perfect standards ensure that we sell or supply only the highest quality parts - which results in better performance, and ultimately leads to improved operating efficiency and lower costs. We know how important quality parts are to our customers overall bottom line, and make sure we exceed their expectations.
